

Protective Packaging

Corrugated Single Face Rolls

Ideal for inner wrapping of fragile goods and outer wrapping of odd-shaped items. Provides excellent surface and corner protection.

B Flute vs C Flute

B Flute has a smaller profile than C flute, offering comparable protection while taking less storage space.

All rolls are 250ft in length.

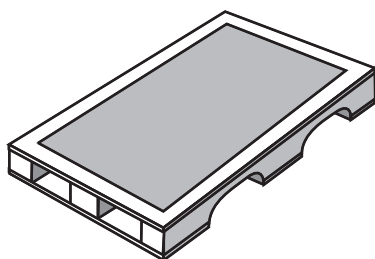

B Flute	C Flute	Width
-	CR2366	4"
-	CR2370	6"
-	CR2380	12"
-	CR2385	18"
CR2391	CR2390	24"
-	CR2397	30"
CR2402	CR2400	36"
CR2406	CR2405	48"
CR2412	CR2413	60"
-	CR2416	72"
-	CR2420	84"

Pallet Liners

Provide a smooth surface to aid loading & unloading of pallets. Perfect for keeping products from slipping between boards and/or adding stability between layers.

Did you know?

Using a pallet liner is a cost effective way to reduce damage to your product during shipping.

CB4048
39" x 47" ECT23 Kraft

Fits standard 40" x 48" pallets.

Kraft Paper Rolls

Using paper products during shipping can help reduce damage, save on shipping costs and is environmentally friendly.

* Environmentally Friendly option

Foam rolls are ideal for many applications such as surface protection, light duty cushioning and interleaving. Foam rolls are:

- Non-abrasive: will not scratch surfaces
- Light weight: save on shipping costs
- Lint and Dust-free: safe to use on most sensitive products
- Water-Resistant: protects against moisture
- Recyclable, Reuseable, CFC-free: environmentally responsible
- Anti-static foam is also available.

Bubble Rolls

Made from low-density polyethylene resins, bubble features superior tear and puncture resistance, excellent air retention and clarity, and a tacky surface to keep products from moving or slipping. And because it contains no nylon, the bubble is 100% recyclable, making it environmentally friendly.
